Scope of project:

- Design a new Bay Area Transport Refrigeration website to establish a web presence
- Website should gather new business from organic searches in your area
- Features include both Sales & Rentals
- Website will also include the following services/products: Refrigeration, Liftgates, Parts & Services
- Goal is to appear on the top-half of search terms (Transport Refrigeration) within 6-months of launch
- Website design to meet or exceed all web standards for speed, security, and user (admin) access
- Website will be mobile ready and display properly on desktop, tablets, and phones
- A custom Website 'Contact Form' will be designed with the client to narrow leads to the appropriate department

Website Build:

1. Initial design & development will be completed on the StGeorgeDEV Servers (client link will be provided)
 - a. Initial review & revisions will be made with client prior to migration
 - b. Once the initial design is approved, website will be migrated to the client's host and launched on their URL
2. Once the design work and content are uploaded; styled properly, and approved:
 - a. We will review with the client to secure an appropriate URL
 - b. We will assist in the acquisition of an appropriate host
 - c. Once items 1 & 2 have been completed, we will migrate the website to the client's new hosting plan

Costs and Launch Date:

1. It will take roughly 4-6 weeks after the client has approved and retained our services
2. Estimate a launch date of late-March/early to mid-April 2023
 - a. This estimate is provided as a guideline - *actual delivery will depend on the actual acceptance of this proposal*
3. Cost for this project will be **\$2,850.00** billed in instalments:
 - a. A retainer of \$1,850.00 will start and secure our involvement on this project
 - b. The final instalment of \$1,000.00 will be due prior to migration onto the client's servers (client hosting plan)
4. An *Optional* Website maintenance service is available for a Quarterly fee of \$300.00
 - a. This fee is reviewed after 6-months (2-quarters) and revised upwards if more time is required
