To design and build out a website that accomplishes the following:

1. Complete website design to HTML5 standards (desktop & mobile compatible)
2. Integrate WooCommerce e-commerce online shopping
 - Integrate full inventory control
3. Add products from existing website and TEST Inventory control
4. Integrate "LiveSTREAM" plugin that will take a livestream feed from a computer via YouTube, etc. and integrate onto the main website viewer
 - The LiveStream will be broadcast 'live' on a dedicated page within the main website
5. Test and train with clients

Website Build & Implementation:

1. Upon approval of proposal and payment of retainer, we shall:
 - Start building a 'wire-frame' version of the website on our development servers
 - Testing of version #1 is expected to be the week of March 30, 2020
2. Once base testing is completed and approved, and payment of the second installment is paid, we shall:

- Build out the complete website on the development server
 - Register YouTube/other streaming service
 - Link streaming service to website
 - Run a full mock-up "LIVE" test
 - Projected completion date is 3-4 weeks after phase 1 is approved
3. Once the completed website has been successfully built and tested, we shall:
- Invoice final installment
 - Upon receipt of final installment, back up and migrate the website onto clients hosting servers
 - This is done within 48-hours of final payment, usually over a weekend
 - Complete training and testing/troubleshooting with client

Website Design Fees and Payment Schedule: \$4,750.00 paid as follows:

1. \$725.00 retainer to commence build out of the wireframe on our development servers
2. \$2,000.00 once clients tests, reviews and approves the wireframe version
3. \$2,000.00 once client tests, reviews and approves the final website for migration to their host server

Other costs:

Client will be responsible for the following ongoing costs:

1. GoDaddy hosting plan (estimated \$60-\$120 annually)
2. Any additional licensing fees to integrate their merchant account (estimated \$75-\$100 annually)

Optional Website Management Service:

Many of our clients manage their own websites, however, we do have website management services available ranging from monthly (\$250-\$500/month) to Quarterly (\$300-\$500/quarter). This is an optional offering depending how much or how little you wish to be involved in your websites everyday management.
